What is the Program?

Heritage Restoration and Preservation Grant Program

Funds from this program may be used to support projects that promote the preservation or restoration of Redmond's historic resources. This grant program provides funds to organizations or individuals that own or control interests in historic structures. It seeks to ensure that structures and sites are brought back to a condition or remain in a condition that will illustrate the heritage of Redmond now and into the future.

Goals of the Restoration and Preservation Grant Program:

- ❖ To promote and encourage continued maintenance and prevent deterioration of historic structures or sites that conveys a sense of the City's heritage and creates a sense of place.
- ❖ To promote and encourage restoration of altered historic structures to a condition that is in keeping with their original design and period.
- ❖ To maintain the viability of older structures to function for use as a business or housing.
- ❖ To enhance the economic vitality of the City, especially in the downtown, by encouraging thriving businesses in existing structures and by encouraging tourism.

Prioritization for grant funding

Prioritization for grant funding will be given to:

- ❖ Properties that are currently on the Redmond Historic Landmark Register.
- ❖ Projects that are intended to remove inappropriate alterations and restore the building as a part of a plan to nominate the property to the Redmond Historic Landmark Register.
- ❖ Projects that contribute to the economic vitality of the historic downtown design district.

Funding for the program is provided through the City's capital projects funds.

Obligations of Award Recipients

Reimbursement

After funding recommendations are approved, the program staff will work with the applicant to develop a contract, including a scope of services. These contracts will govern the project documentation and the payment of funds. **Contractors are paid on a reimbursement basis.** Contracts will require compliance with the following:

Public Benefit

State law does not authorize the donation of public money to organizations or individuals. Funded organizations and individuals must provide quantifiable public benefits which will be included as part of the contract between the County and the award recipient. This benefit may include such things as provision of public access to the facility and a recordation of a preservation easement. Public Benefit obligations for all award recipients are determined on a case-by-case basis in consultation with the award recipient.

Insurance

Individuals and organizations receiving this grant may be required to demonstrate proof of the following:

- Comprehensive General Liability Insurance Coverage for the project with the city endorsed as additional insured.
- Workers Compensation and Employer's Liability Insurance as required by the State of Washington.
- Personal Property Insurance.
- Personal Automobile Liability/Business Automobile Liability Insurance.

Taxes

The City of Redmond reports awards from its grant programs as income on IRS Form 1099. Individuals and organizations receiving awards will be asked to complete a Federal W-9 form after signing a contract with the City of Redmond. Award recipients other than non-profit organizations are responsible for paying all applicable taxes.

Agreement

The applicant will agree to a recordation of an easement against the property for a period mutually agreed to by the applicant and the City that stipulates that the restoration for which the grant was awarded or the significant features in the case of stabilization shall be maintained and not altered.
